

Parent Survey 2022

Dear Parents/Guardians,

I wanted to write to thank all of you who took the time to fill in our recent Parent Questionnaire; your opinions and feedback are extremely important to us. We have been analysing the results and identifying what we can learn and how we can use them to further the development of Olderfleet PS. A school should always be reviewing its procedures and your opinions form a fundamental part of that process.

The responses from the parent survey are also available on the school website. There were plenty of positives to be taken from the report and this highlights a number of strengths that you feel the school has. We have also listened to areas that you feel could be improved upon and the staff and I with the Board of Governors, have already put plans into action.

Finally, I always welcome feedback about any aspect of school life. I am always very keen to hear from parents/guardians with suggestions for improvement in the way we are operating. Please feel free to contact me if you feel you have something to contribute or discuss current procedures.

Yours in Education,

Mr B Harvey
Principal

1. My child is in Year Group
